# Introduction to Sentence Equivalence

([watch](#) the entire video)

- About  $\frac{1}{4}$  of all Verbal questions

The conversation between the two men was very \_\_\_\_\_, because it was too cold for them to linger in lengthy conversation.

- (A) collegial
- (B) terse
- (C) meaningful
- (D) brief
- (E) antagonistic
- (F) animated

Select the two answer choices that, when used to complete the sentence, fit the meaning of the sentence as a whole and produce completed sentences that are alike in meaning

- Select 2 answer choices that complete the sentence
- The resulting sentences must have similar meanings
- No partial credit – you must select both correct answers

# Sentence Equivalence Strategy – Part I

([watch](#) the entire video)

1. Read the entire sentence to understand the big picture
  - paraphrase if necessary
2. Identify words/phrases that provide context for the blank, especially
  - descriptive words/phrases (adjectives/adverbs)
  - relationship words
3. Predict an appropriate word for the blank (**before** checking the answer choices)
4. Check the answer choices, and use scratch paper to record responses
5. Beware of trap answers
6. Confirm that the two words create sentences with the same meaning

# Sentence Equivalence Strategy – Part I

1. Read the entire sentence to understand the big picture
  - paraphrase if necessary
2. Identify words/phrases that provide context for the blank, especially
  - descriptive words/phrases (adjectives/adverbs)
  - relationship words
3. Predict an appropriate word for the blank (before checking the answer choices)
4. Check the answer choices, and use scratch paper to record responses
5. Beware of trap answers
6. Confirm that the two words create sentences with the same meaning
